ABOUT ME

Product and service focused professional with hands-on experience in ERP and SaaS solutions, including Odoo CRM and ERP implementations. Skilled in bridging business needs with product features, gathering requirements, conducting demos, customizing solutions, and ensuring adoption across industries. Experienced in client engagement, stakeholder management, and driving digital transformation initiatives. Recognized for delivering measurable results in both CRM and ERP projects, while contributing to product growth and business efficiency.

EXPERIENCE

ODOO INDIA PVT LTD

Business Advisor

May, 2024 - Present

- Collaborate with senior management clients to understand unique business needs and propose tailored Odoo ERP solutions.
- Conduct customized demos showcasing CRM, Sales, Accounting, and other modules to highlight real-time business impact.
- Perform minor customizations using Odoo Studio to deliver client-specific functionality and workflows.
- Gained hands-on knowledge of both community and enterprise versions of Odoo, including backend operations.
- Entrusted with training responsibilities: conducted 3 Odoo POS field intern batch sessions, delivering extensive training and preparing final evaluation reports submitted to management for payroll processing.
- Negotiate pricing, manage subscriptions, and ensure continuous client support post-purchase.
- Drive adoption of ERP modules by bridging technical capabilities with business objectives.

IMS GROUP

Senior Sales Consultant

Jan 2023 - April 24

- Cultivate and nurture relationships with key stakeholders within NHS hospitals, understanding their pain points and offering tailored solutions to meet their needs.
- Proactively identify new business opportunities within the healthcare sector, strategically expanding the client base and maximizing revenue generation.
- Arrange and deliver CRM demonstrations to stakeholders, improving system understanding and adoption.
- Expand market reach by acquiring new Trusts and driving additional project revenue.
- Maintain a consultative sales approach, conducting needs assessments and aligning solutions with hospital objectives.
- Ensure client retention and satisfaction by providing ongoing support and managing expectations.

SKILLBEE – Remote

Marketing Intern

- Executed outbound campaigns via calls and emails to generate leads.
- Conducted market research and contributed to product marketing strategies
- Developed skills in campaign execution, content creation, and client communication.
